Hi Carrie - I spoke to my contact at DSS about this, and the initial thought is that TANF eligibility requires citizenship so the individual you're referencing would not qualify, but DSS is double checking that. I'll let you know when I get a final clarification.

Subject: A2A Client Question

Good Morning Emily,

I have been asked what to do, regarding the required SS# on the client intake form on the new database, if someone qualifies for the A2A program, but they don't have a SS# because they have obtained their permanent residency through a green card. How would I advise them to proceed?

Thank you for your help!

Carrie
